BRINGING POOLS TO LIFE

Almori-pools bring pools to life through innovation in design and technical leadership, setting the standard in modern swimming pools.

Our pools combine four elements: function, safety, reliability and elegance. Together with real value-for-money.

Almori-pools meet the needs of both individual homeowners and developers with multiple pool requirements.

For best-of-class swimming pools and professional, straightforward service, contact Almori-pools.

WELCOME TO ALMORI-POOLS

Almori-pools are a leading provider of pools and water features.

We have a strong Retail business installing and servicing private pools for home owners in our local market in Dubai and this is where our story began.

Our core competency today is providing multiple pools for Real Estate and Resort developments, with both the products and the necessary Project Management experience to deliver on- time, on-budget, on-quality.

Through having all skill sets in-house: design, engineering, production, installation and service we are able to ensure professional delivery and performance.

We have become a world-class supplier of specialist pools for exacting requirements such as in the Spa and Wellness and we carry out the design and build of water features.

PRODUCT PROFILE

EXPERIENCES

This document provides data on our Organisation, our Approach, and our Experience.

INCLUDING

maintenance, inspection, and periodic and comprehensive repair of swimming pools providing water treatment services to ensure the highest degree of protection.

PREFORMED COMPOSITE POOL SHELL STRUCTURE

PORCELAIN CERAMIC MOSAIC TILE:

The internal finish is a hand applied mosaic tile finish, using epoxy grout to maximize in-use service life as well as providing the choice of a wide range of colours and styles.

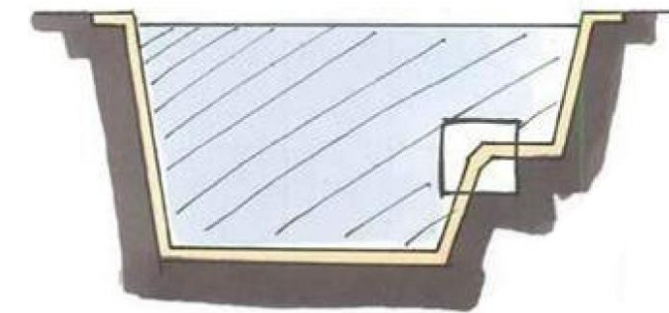

EPOXY LAMINATE:

The inner layer is a 2 part, reactive epoxy system. This proprietary system cures to form an Epoxy laminate which completely prevents exposure of the GRP to pool water and associated chemicals.

GRP (Glass Reinforced Plastic):

The GRP outer body consists of spray applied, high performance resins reinforced with woven glass fibres.

It is the composite structure of the 3 materials working together which provides the unique properties of the Almori-pools Pre-formed pool shell.
